Owner of Dog

OWNER of _____
Dog's Name

Doggie Playland (hereafter referred to as "DP") will train OWNER's dog in a reasonable manner and assist OWNER in conveying and following through on commands. However, the effectiveness of the completed training program depends on the continued application of training methods in all situations by the OWNER. OWNER agrees to not hold DP liable for any damages resulting from the dog's failure to respond to commands.

Guarantee

DP guarantees that all training methods taught in all programs result in the OWNER's satisfaction when applied properly. If, for any reason, OWNER is not satisfied upon completion of the program, DP agrees to offer a free session to explain and reinforce any commands necessary. This will not be used to teach new commands.

Deposits

All 6 & 7 week courses require a deposit of \$50 to guarantee a spot. The deposit will be deducted from the total amount upon full payment. Private Sessions require a deposit of \$10 (for ½ sessions) and \$20 (for 1 hour + sessions) in order to reserve a spot. This too will be deducted from the total amount upon full payment.

Cancellations

24 hours is required to cancel all appointments in order to refund the deposit. Classes require cancellation 1 week prior to start date in order to receive a refund. Once sessions have begun, all fees are non refundable. OWNER(s) may join a subsequent session in order to make up for classes paid, but not received.

Liability

I, the OWNER, agree to release DP from all liability including any injury, death, sickness, or damage my dog may suffer during any training program. I also agree to not hold DP responsible for any injuries or damage inflicted by my dog on any other dog(s) or person(s) in the class.

All training sessions are conducted under strict supervision. The trainer reserves the right to withhold your dog from play sessions or off leash sessions should the need arise.
